1. I can't stop loving you, so I've made up my mind
to live in memory of old lonely times.

2. I can't stop loving you, there's no use to try
pretend there's someone new, I can't live a lie.

I can't stop wanting you, it's useless to say,
I can't stop wanting you, the way that I do.

There's only been one love for me; that one love is
so I'll just live my life in dreams of yesterday.

It conquers all. Love lights the world.

But it's a mystery. Unites the lovers forever.

1. Love breaks your heart. Love takes no less than everything.

2. Love breaks the chains. Loves aches for everyone of us.

Love makes it hard. Love takes the tears and the pain and it fades away so easily.

And it turns it into the beauty that remains.
Look at this place, it was paradise but
now it's dying. I'll pray for love.
I'll take my chances that it's not too late.
Love breaks the chains.
